UV COMPETENCE

JK-Licht GmbH is your competent partner in the field of UV lamps. We collate our know-how from close cooperation with renowned lamp manufacturers and, of course, our parent company, the JK Group. This combines a maximum of market knowledge with a maxi-

imum of technical experience that together guarantee continuous optimisation of the tanning process. The JK-Licht team provide the appropriate UV solution for every sunbed and every studio philosophy. In addition to the wide range of UV lamps, we also have cosmetic and

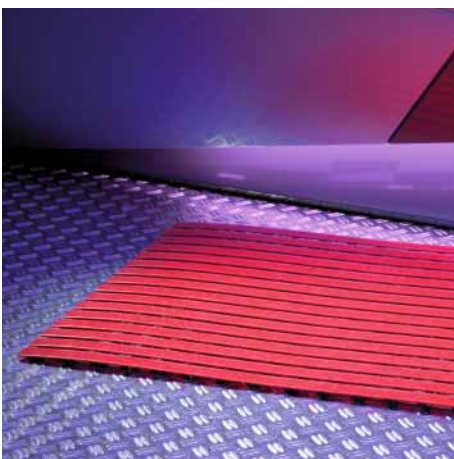

hygiene products and solarium accessories to round off our portfolio. JK-Licht will provide you with everything you need for the day-to-day running of your studio, from eye protection to foot mats.
